Donna,

I don't know if you saw Susan's email below however can we change the travel dates? It is a 3 day testing, not a 2 day testing like we had originally thought. It would be December 12-16th.

Thanks!

Susan,

Attached is the test plan. The agenda for the week of the 12th is on page 4. I just realized that it is for 3 days. If you can do only 2 days, perhaps you skip day one. Or if you can stay Friday morning, we could also do a special wrap-up for you with respect to the Fort Bend scope and functionalities.

Let me know if you need anything else. Philippe.
