Great! Do you have a number where I can reach you to get your information for your hotel and flight?

Good Afternoon Michael,

Hope you are doing well.

I want to invite you to attend CADCA's 19th National Leadership Forum & SAMHSA's Prevention Day February 4-7, in Washington DC. For more information you could visit:

https://www.cadca.org/news/forum-registration-now-open. During the Leadership Forum, you will get an opportunity to attend a variety of courses to expand your knowledge in prevention science and improve skills in implementing evidence-based strategies, and meet with the offices of your local and state representatives.

FBCPC will cover cost for the registration, hotel, flight and food for the entire trip. We would leave on Sunday, February 3rd and return on Thursday 7th. As you know, family is welcome to attend since we don't share hotel rooms. However, FBCPC can only cover your cost for flight and food.

If you could let me know by Thursday, December 13th , it would be great.

Thank you.
