Leslie,

A little different this year getting the 2024 HIDTA award in place. ONDCP is requiring the SF424 to be signed and submitted before they will issue the initial award from here going forward.

I triple-checked these documents for you bc I messed up your 2023 email… I know. I'm still sorry!

I've attached the SF424 application PDF documents already filled out with your 2024 HIDTA grant information.

Please print and have the authorized signor sign in the appropriate spaces listed below and send back to me.

Important for document upload on my end

- Please return the initial award as one PDF.
- Please include the "Budget Information" document in the SF424 document even though it doesn't require a signature.

<u>Signature Areas Needed</u>

-
SF424:

- Certification Regarding Lobbying
- OMB Number: 4040-0013
- OMB Number: 4040-0007
- OMB Number: 4040-0004 PG #3

Please let me know if you have any questions.

Thanks,

Bradley Porras
