Debbie,

D. L. Meacham, L.P. will be able to hold the price of \$2.92 per sf for the additional trail at Buffalo Bayou. There is going to be an ADD of \$0.75 per sf in areas that will require a thicker trail because the trail will be crossed by heavy vehicle traffic. The \$0.75 will cover larger rebar reinforcing as well as additional 2 inches of concrete. These areas will be determined in the field with Mike Davis. Please let me know if you have any questions.

Thank you,
Andrew Walton, Project Manager
