### The National Health Security Strategy: Building A Resilient Nation

The 2011 Public Health Preparedness Summit Planning Committee Has Announced That The Conference Theme Will Be The National Health Security Strategy: Building A Resilient Nation.

The release of the National Health Security Strategy (NH) late last year and the companion Biennial Implementation Plan (BP) present significant public health preparedness initiatives that have implications at all levels of government and the private sector. Next year's Summit will provide an opportunity for attendees to better understand the goals and objectives of these two plans and provide feedback to national leaders to further inform the future development of these initiatives. For more information on the NH and BP please visit [www.phe.gov](http://www.phe.gov).
