Dear Ms. Kaminski,

I have toured the new addition to the Pct. 1 building and reviewed its cleaning needs. The contracts existing specifications will be applied to servicing this new area Monday thru Friday. The additional cost to service this new area will be \$85.00 per month. This will bring the total monthly billing for the Pct. 1 building to \$1430. We await your approval and designated start date. Thank you for providing us with the opportunity to continue servicing Fort Bend County.
