Honorable Judge Robert Hebert, County Judge Fort Bend County
Honorable Members of the Fort Bend County Commissioner's Court

Re: Building tag number 1007232 at the Fort Bend County Fairgrounds, commonly known as the Port City Barn.

Honorable Court,

The Board of Directors of the Fort Bend County Fair Association (FBCFA) respectfully request the removal of the Port City Barn, Fort Bend County building tag number 1007232, located at the Fort Bend County Fair Grounds, 4310 Highway 36 South in Rosenberg, Texas. The FBCFA Board of Directors believes the building has become unsafe structurally and would encourage the removal of the building in a timely manner. This subject has been approved by the FBCFA Board of Directors and plan are being discussed to determine the best method of housing the livestock during the fair that will be effected by the removal of the building, with the long range goal of possible construction of new livestock facilities.

The Board of Directors of the Fort Bend County Fair wishes to thank the members of the Fort Bend County Commissioner's Court for their continued support of the Fort Bend County Fair Association.

Respectfully yours,

William A. Carter II
President, Fort Bend County Fair
