Dear Judge Hebert,
My printer isn't working today.
I am writing to request a property tax exemption
for my historical home. I'm also attaching
a letter from a previous year which will
be more legible.

Sincerely,
Betty Vaughn

Dear Judge Hebert:

In the past few years the county has granted an historical exemption for my property located at 402 North Second Street across from Morton Cemetery.

I would like to request an exemption for 2007.

It is used as a secondary residence so I do not get a homestead tax exemption. If you need to contact me by phone, my cell is: 832 439 7626 and ~~fax is: 713 636-2143~~.
Houston phone: 713 686-6279.

Cordially,

Betsy Vaughan
