Subject: National Computer Forensics Institute - June Prosecutor Course

We are pleased to notify you that you have been selected to attend the Computer Forensics for Prosecutors course at the National Computer Forensics Institute (NCFI) in Hoover, Alabama on June 13-17, 2011.

Another e-mail will be sent to you in the coming weeks providing you with course information, travel arrangements and details. **There is nothing you need to do at this time regarding hotel or flight arrangements. They will be handled for you.** You can expect to fly out of your home airport on Sunday, June 12th, and depart Birmingham on Friday afternoon, June 17th. The next e-mail will also provide details to those wishing to drive instead of fly.

Please reply to this e-mail message if you will **not** be able to attend the training.

Questions regarding this training can be directed to Barry Page (barry.page@alabamada.gov) or Brooke Grigsby (brooke.grigsby@alabamada.gov) at 205-989-5300. We look forward to seeing you at the NCFI.
