# Educational Program Overview

## Fresh Water, Fresh Ideas: Immerse Yourself in Inspiration and Innovation

ICMA’s 2011 ICMA Annual Conference Planning Committee (Michael Baker, Deputy Village Manager, Downers Grove, Illinois, Chair) met in Milwaukee in November, 2010, to plan this year’s conference program, which will address the issues, trends, and challenges facing local government managers worldwide. Public and private sector experts will share their knowledge and interact with participants in educational sessions organized around the following **theme tracks**:

- Excellence in the New Normal
- Challenges of Citizen Engagement
- Changing Demographics and Employee Relations
- Lessons in Leadership
- Personal Issues Facing Managers and Their Partners

The conference program also includes three **career tracks** of educational sessions designed specifically for

- Assistant Managers
- Senior Managers/ICMA Credentialed Managers
- Small-Community Managers

The conference will again feature the exhibit hall’s popular **Solutions Track** sessions, which present case studies of local governments that have overcome challenges through innovative public-private partnerships.

Several other sessions are planned in conjunction with a variety of other ICMA projects and affiliates.

- Center for Performance Measurement
- Center for Public Safety Management
- Center for Sustainable Communities
- CIGNA
- Eldon Fields Colloquium
- Ethics
- ICMA-RC
- State Leagues

Sessions and workshops with the  icon will be especially pertinent to smaller communities whose limited resources require that the chief administrator perform functional as well as managerial tasks.

ICMA and the 2011 Conference Host Committee appreciate the support of **this year’s conference contributors**, especially Principal Sponsor **ICMA-RC**, and Diamond Sponsor **CIGNA**.
