**Re: Fort Bend County Bid 11-002 – Term Contract for Hauling and Disposal of
Condensate/Leachate Liquids**

Dear Ms. Kaminski:

Please accept this letter as notice that SWS Environmental Services wishes to renew the above referenced bid, with the same terms and conditions, through September 30, 2012.

In addition we have recently undergone a name change. The existing contract is with Eagle Construction and Environmental Services, LLC (“Eagle”). Eagle is actually a wholly owned subsidiary of Progressive Environmental Services, Inc. (“Progressive”). We recently changed our name to SWS Environmental Services which is a registered assumed name of Progressive.

If possible, we would like to change the name on the contract in connection with this renewal. The “new” contracting entity would be “Progressive Environmental Services, Inc. d/b/a SWS Environmental Services.”

If you require any additional information to make this change, please let me or our Corporate Attorney, Brian Cross, know what you need and we will get it for you. We appreciate your willingness to renew this contract and look forward to providing these services for Fort Bend County.

Respectfully yours,

SWS Environmental Services
