City Commission, City of Richmond
Attn: Ms. Mona Matak, City Secretary
City of Richmond
402 Morton Street
Richmond, TX 77469

Dear City Commission:

This letter shall serve as notice to the governing body of the City of Richmond (the "City") that the Commissioners Court of Fort Bend County intends to call an election on or about September 6, 2011, to create one or more County Assistance Districts pursuant to Chapter 387, Local Government Code, within the City's extraterritorial jurisdiction along Crabb River Road south of US 59. The primary purpose of the District(s) is to assist in the development and expansion of transportation projects. We anticipate creation of these Districts over the City extraterritorial jurisdiction (but not within the City's corporate limits) within Fort Bend County over areas that are currently or are planned for commercial development along Crabb River Road south of US 59 and Grand Parkway (SH 99) corridor north of US 59.

This notice is required to be given by Section 387.003(b-1) of the Texas Local Government Code and must be sent by certified mail, no later than the 60th day before the date the Commissioners Court calls the election. The Commissioners Court intends to call a November 2011 election and thus the deadline for notice to be sent to the City is today. Therefore, we are also providing this notice by fax to expedite delivery. We apologize that we were unable to give the City earlier notice, but Fort Bend County was awaiting the passage of Senate Bill 520 in the 82nd Legislative Session before moving forward with the formation of County Assistance Districts. We recognize that we will need to meet with City staff prior to calling the November 2011 election. We request that the City designate an appropriate person to meet with Fort Bend County representatives to address these issues prior to September 6, 2011 and forward the representative's contact information to me.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert E. Hebert", written in a cursive style.

Robert E. Hebert
