Re: Colony Lake Estates Subdivision - Traffic Control Plan
Take all appropriate action on Petition from the Colony Lake Estates Homeowners Association requesting that Fort Bend County place signs at the locations reflected on the traffic control plan prohibiting overnight parking of commercial motor vehicles pursuant to Texas Transportation Code Ann. §545.307

Dear Commissioner:

The Fort Bend County Engineering Department has completed a traffic control plan for the Colony Lake Estates Subdivision to prohibit overnight truck parking of commercial motor vehicles within the subdivision. A petition has valid signatures of 37% of the residents within the subdivision. This meets the 25% required. Fort Bend Engineering has no objection to placing "Overnight Parking of Commercial Motor Vehicles is Prohibited" signs at the locations indicated on the attached traffic control plan, pursuant to Texas Transportation Code Ann. §545.307. The petition is dated May 17, 2011 and is on file in the Engineering Office.

The Engineering Department recommends acceptance of the traffic control plan as submitted. The public hearing date for acceptance of the plan is being scheduled. A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

Sincerely,
