Jessica had taken delivery of them last week when I was out sick and put them in Christina's cubby office. She forgot to tell me about them, so I had no idea they were in there.

Just wanted to let everyone know the decal delivery has been located. I will get them over to Hoss for delivery to the wrap vendor as soon as I've received the delivery in Lawson. Thanks Jessica!

Thanks,

Hello All,

I am trying to track down a delivery from Texas Bus Sales of some decals for our buses. There would have been 11 handicapped symbol decals (Blue wheelchair) and 11 "Caution, Children May be Exiting..." decals. We have received an invoice for the decals from Texas Buys Sales but, to my knowledge, we have not yet taken delivery of the items.

If anyone signed for a package from Texas Bus Sales or knows where these decals might be hiding, please let me know as soon as possible. The bus wrap vendor needs them to replace the ones they are removing in order to wrap the buses.

Robyn,

Please check around to see if they have already been delivered. If not, please call Texas Bus Sales at 713-956-5100 to see if they can confirm delivery and if so, to what address and who signed for it. The "Parts Ticket #" on the invoice is 0112810 (dated 11/29/11).

Thanks,
Christina

I have not received them. If someone else did in my absence, I was not made aware. I would like to know if they have been both physically received and received in Lawson, so I can mark this item off of my task list and arrange to get the decals over to AMJ.

Thanks,
Robyn

Hi Danita,

I just checked RQ-44 for this PO again and the RQ is still showing a status of "Needs Approval" with no PO number attached to it. From what I have been told, the "Caution" decals will have to be ordered as they are not standardly stocked by the vendor. We need to have them delivered as soon as possible so that they can be replaced on the buses as they are wrapped. Please provide updated status.

Thanks,

Robyn

Hi Danita,

I am just checking in with you regarding the above referenced RQ. I checked RQ-44 and there is still not a PO assigned. Were you able to give this RQ a priority status, as requested below? If not, I understand, but I would like to be able to provide an updated ETA/status to my management.

Thanks,

Robyn

Hi Danita,

AMJ Endeavors, the vendor that is doing our bus wraps, must remove the Handicap decals as well as the, "Caution, Children May Exit" decals in addition to the County seal decals. The requisition above is for replacement Handicap and Caution decals. While we anticipated the County seal decals needing to be replaced, we did not anticipate needing the others. I apologize for the late notice, but we only just learned of this issue last Friday. Please rush this order as we need to have the decals replaced on the buses as quickly as possible after the wrap has been installed. Thank you in advance for your assistance at this busy time of year for your department!

Regards,

Robyn
