67th Annual Forum & Products Exposition
Washington State Convention Center
August 18-22, 2012

The Annual Forum and Products Exposition is the largest North American educational conference exclusively for individuals in public procurement. This is a once a year opportunity to engage in professional development and network with others in public procurement and the supplier community.

Our products exposition provides an opportunity to discover the latest products and services available to the government from a vast array of suppliers. The educational component of the conference covers the latest hot topics, best practices, resources and skills to help improve job performance and provide professional development.

Join NIGP at the Washington State Convention & Trade Center in Seattle, August 18 - 22, 2012 where you will be "Reaching New Heights."
