Partner Summit

Join fellow partners for an exclusive one-day **Partner Summit** that provides our valued partners with opportunities to connect with partner peers and Lawson and Infor leadership, exchange insights, success stories and ideas, and celebrate our valuable partnerships and accomplishments.

Lawson Power Training

Lawson Learning offers concentrated Lawson training courses. They focus on topics of interest and are three day classes that will run Thursday, April 19 through Sunday, April 22. You can choose from a variety of **Power Training** classes to boost your product knowledge.
