Dear Judge Hebert:

I would like to request an historical exemption for the year 2012 for my property located at 402 North Second Street across from Morton Cemetery.

As mentioned in past requests, it has a Texas Historical Marker and I do not get a homestead tax exemption.

I am preparing the proper paperwork through the Appraisal District and will furnish a copy to you. Think I have to apply online this year through the State. Appraisal district did not send out the usual form I have gotten for the last 10 years.

My contact number is: 832 439 7626.

Cordially,

Betsy Vaughan
