To whom it may concern:

Fort Bend County purchased some equipment in March for DEA and is being reimbursed by DEA. The items were, Articulating Monitor Arms and Natural Keyboard Platforms. After receiving the equipment we learned that the lowest bidder did not include installation in the price. We did not have a purchase order to pay the additional \$300.00 it cost for the installation because a different company had to do the installation. We are requesting the additional funds be paid through the reimbursement.

A handwritten signature in black ink that reads "Billy D. Davis". The signature is written in a cursive style with a horizontal line extending to the right from the end of the name.
