Richmond, Texas 77469

Gentlemen:

The Economic Development Administration (EDA) is pleased to inform the City of Kendleton that its application for infrastructure development to support the industrial and business park improvements at Braxton and King Road as well as Pettit Blvd has been selected through EDA's competitive process for further consideration. The application will be considered for \$1,250,000, subject to availability of EDA funds. However a condition of this proposed funding consideration is to have Fort Bend County serve as a co-applicant.

This notification does not guarantee final approval or legally bind EDA to make an award. Final approval of this award is conditioned upon EDA's favorable assessment of the additional information requested in Attachment A, final determination of project feasibility, funding priorities, fulfillment of important pre-conditions to comply with EDA's regulations, and the availability of funds for obligation.

Please submit the items requested in Attachment A by May 9, 2012. Should EDA fail to receive complete, accurate, and acceptable information within the required deadline, EDA reserves the right to discontinue consideration of your application for funding.

EDA's mission is to lead the Federal economic development agenda by promoting innovation and competitiveness, preparing Americans regions for growth and success in the worldwide economy. EDA assists States and local governments, nonprofit organizations working in cooperation with units of local governments, Tribal organizations, and Economic Development Districts designated by EDA in economically-distressed areas by supporting their regional economic development efforts, emphasizing innovation and entrepreneurship as the essential elements of regional and national competitiveness in the worldwide economy.
