Subject: ProPac Point of Distribution (PoD) Kit

Dear Mr. Tollison,

We are not the sole source for any of the items individually; however, ProPac is the sole source provider for the custom designed emergency preparedness PoD kit as described in our previous offer. Each kit is custom prepared to meet Fort Bend County's needs and will be packed in our rolling carts.

Given that we stock many of these items in support of other customers, we are able to offer considerable savings over what you may find if you were to order the components piecemeal.

These advantages also permit expeditious satisfaction of your requirement.

With a firm order on or before 12 June, we fully expect to meet your requested delivery date of 29 June.

Amanda Hart
