RE: Engineer's Recommendation of Award of Construction Contract for City of Richmond North Second Street Generator and Appurtenances, Bid #12-054, Fort Bend County, Texas

Dear Judge Hebert:

Construction bids were received and formally opened at 1:30 p.m. on Thursday, June 7, 2012 for the above-referenced project. A total of three (3) construction bids were received and opened.

A summary of the bids with the Base Bid amount and number of working days are as follows:

<u>Contractor</u>	<u>Base Bid Amount</u>	<u>Number of Days to Complete</u>
C. F. McDonald Electric, Inc.	\$ 93,469.00	100 Working Days
IES Commercial, Inc.	\$ 94,065.67	180 Calendar Days
Prism Electric	\$ 115,783.00	240 Working Days

The bids were checked for completeness and mathematical errors. C. F. McDonald Electric, Inc. submitted the low bid for the project. We have worked with C. F. McDonald Electric, Inc. on similar projects in the past and find them to be competent. We are recommending that Fort Bend County accept the construction bids received on the project and enter into a construction contract with the low bidder, C. F. McDonald Electric, Inc. for the Base Bid amount of \$93,469.00.

If you have any questions, please contact me.

Sincerely,

KELLY R. KALUZA & ASSOCIATES, INC.
