Carol Grace Anderson M. A. is a motivational expert and author of the popular book: ***Get Fired Up Without Burning Out!*** This former Psychology teacher and performer has worked with many entertainment legends including Johnny Cash, Jimmy Buffet, Faye Dunaway, Roy Clark, Willie Nelson, and Sandra Bullock.

Along the way, Carol has overcome some big life challenges. From growing up in a tiny 18-foot trailer, going blind in one eye, and losing her younger sister to breast cancer, she learned how to turn struggle into strength. We all have challenges and Carol knows that we can choose to turn those struggles into strengths. As Carol says, "Never give up...get fired up!" \Carol's dynamic presentation will give us real solutions to get and stay fired up and thrive in challenging times!

Billy Kirsch is a notable entertainer who has written Grammy and Emmy nominated songs and created his own memorable shows performing with world-renowned artists such as Faith Hill and Wynonna Judd. Billy's appearances and concerts have been televised nationally on The View, Regis and Kathie Lee.

In this highly engaging, entertaining and interactive presentation, Billy leads you through a step-by-step process that enables you to tap into your creative potential, identify your personal vision, and harness this to increase performance and results. You'll experience the power of positive brainstorming; learn how to generate more ideas and how to make your ideas become reality.
