Re: In stock Charger Pursuits

Good morning,

Thank you for your interest in a 2012 Dodge Charger Pursuit for your department. As we have discussed I have in stock and available, a black V8. Your cost off of the Buy Board contract is:

V8: \$25,363.75 delivered

I am prepared to get it ready and deliver it to you as soon as you are able to issue a Purchase Order. Depending on which day of the week you are able to do so, figure on 1 to 4 days from receipt to delivery. I look forward to working with the County again.

Respectfully,
