SUBJECT: Procurement Card Policy and Procedures

The Purchasing Office is requesting an amendment to the procurement card policy and procedure manual. The change allows the use of the procurement card to purchase fuel for out-of-County business related trips when driving a County vehicle. In the past the County has used separate Fuel Cards, but in an effort to realize the full benefits of the procurement card rebate it has been determined utilizing one (1) card is the most efficient method.

4.0 PROCEDURE:

4.1 INTRODUCTION:

4.1.1 This program is being established in order to provide a more rapid turnaround of requisitions for low-dollar value goods and to reduce paperwork and handling costs. By using the Procurement Card you dramatically shorten the payment cycle from the traditional requisition process. The traditional process includes pricing inquiry, order placement, delivery of goods, invoice and voucher review. Those requisitioners who have been issued Procurement Cards may now initiate transactions in person or by telephone, within the limits of this procedure and receive goods. Under certain circumstances, internet purchases may be made but **must first be approved by the Purchasing Agent with the exception of travel arrangements (hotel, airfare, car rental and registration fees in accordance with Fort Bend County Travel Policy)**. This program also relieves employees and officials of the burden of using personal funds to pay material travel and training expenses such as lodging, airfare, rental car, and registration. Payments to vendors are made via the MasterCard settlement system. Accounts payable will make monthly settlements with the Bank.

4.2 DEPARTMENT PROCUREMENT CARD COORDINATOR:

4.2.1 Elected Officials/Department Heads must designate a department procurement card coordinator to oversee their department's expenditures and receipts.

4.2.2 Department procurement card coordinators are responsible for receiving receipts, downloading bank statement, matching receipts and submitting to the Auditors Office for payment on a weekly basis.

4.2.3 Department procurement card coordinators will contact the Procurement Card Coordinator in Purchasing to order new cards, cancel cards or raise limits on card.

4.2 RECEIVING A PROCUREMENT CARD

4.2.1 Elected Officials/Department Heads and managers may propose personnel to be cardholders by having their department procurement card coordinator complete the enrollment request form and submitting to the Procurement Card Coordinator in the Purchasing Department.

4.2.2 The proposed cardholder shall be issued a copy of this procedure and shall be required to attend a Procurement Card training session, sign a Enrollment Request Form and an Employee Agreement. The Agreement (Attachment 1) indicates that the cardholder understands the procedure and the responsibilities of a Procurement Card cardholder. The Enrollment Form (Attachment 2) contains all information required to properly enter the Cardholder in the Procurement Card Program. On the Enrollment Form, the Elected Official/Department Head or Approving Supervisor will designate:

4.2.1.1 a single purchase limit, and

- 4.2.1.2 a 30-day limit
- 4.2.1.3 purchases or uses requested for the cardholder
- 4.2.1.4 justification for any commodity purchases

The maximum limit shall be \$500.00 for a single purchase unless agreed upon by Elected Office/Department Head and Purchasing.

4.2.2 The Purchasing Department shall maintain all records of Procurement Card requests, limits, cardholder transfers and lost/stolen/ destroyed card information.

4.3 AUTHORIZED PUCHASING CARD USE

4.3.1 The unique Procurement Card that the cardholder receives will have his/her name embossed on it and shall **ONLY** be used by the cardholder. **NO OTHER PERSON IS AUTHORIZED** to use that card. The cardholder may make transactions on behalf of others in their department with the approval of a supervisor authorized to approve such purchases. However, the cardholder is responsible for all use of his/her card.

4.3.2 Use of the Procurement Card shall be limited to the following conditions:

4.3.2.1 A total value of a transaction shall not exceed a cardholder's single purchase limits. Payment for a purchase **WILL NOT** be split into multiple transactions to stay within the single purchase limit.

4.3.2.2 All items purchased "over the counter" must be immediately available at time of Procurement Card use. No backordering of merchandise is allowed.

4.3.2.3 Transaction volumes must not be exceeded (i.e. # and \$ amount of authorized transactions).

4.3.2.4 Spending limits and commodity restrictions must be adhered to.

4.3.2.5 Fuel for out-of-County business only when traveling in County vehicle. Only exception is if all County fuel sites are out of service. Vehicle Maintenance will notify Purchasing if a fuel site is inoperable. If fuel site is unknowingly inoperable, the driver may use the card to purchase up to \$5.00 of fuel to get to the next County fueling site. Driver must notify department coordinator of any non-working fuel sites, in turn Department coordinator must notify Vehicle Maintenance.

4.4 UNAUTHORIZED PROCUREMENT CARD USE

4.4.1 The Procurement Card **SHALL NOT BE USED** for the following:

4.4.1.1 Any commodity or service not expressly authorized by Purchasing to the cardholder.

4.4.1.2 Personal purchases or purchases for family members or friends or for identification.

4.4.1.3 A single purchase that exceeds the limit of \$500.00 or the cardholder's single purchase limit; unless a higher limit has been agreed in writing with the Elected Official/ Department Head and Purchasing.

- 4.4.1.4 Entertainment expenses, meals and travel expenses for non-County related business.
- 4.4.1.5 Meals, except those required during activation of Emergency Operation Center, Jurors, Lunch and Learn seminars or as approved by the County Auditor.
- 4.4.1.5 Cash Advances.
- 4.4.1.6 Telephone calls/monthly service (non-county related).
- 4.4.1.7 Fuel for non-County related trips or in-County travel.
- 4.4.1.8 Car washes.
- 4.4.1.9 Alcoholic Beverages.
- 4.4.1.10 Item(s) or service(s) purchased via the Internet, see 4.1.1.
- 4.4.1.11 Any additional items/services as may be restricted by County policy.

4.4.2 A cardholder who makes unauthorized purchases or carelessly uses the Procurement Card will be liable for the total dollar amount of such unauthorized purchases plus any administrative fees charged by the Bank or other associated costs in connection with the misuse. Any cardholder who incurs three unauthorized purchases, as verified by the Auditor's Office, will have his/her card revoked by Purchasing. The card must be returned to the Purchasing Department within three (3) calendar days after receipt of notification from Purchasing. The cardholder will also be subject to disciplinary action, up to and including termination.

4.5 MAKING A PURCHASE

4.5.1. Procurement procedures permit a purchase of goods or services if their value is \$500.00 or less, to be made from a "Vendor of Choice." This implies the possibility of not comparing sources or competition between vendors. However, should any purchase exceed \$500.00, it is policy to seek competition and the lowest prices within the parameters of quality and delivery. Accordingly, whenever making a Procurement Card purchase the cardholder will check as many sources of supply as reasonable to the situation to assure best price and delivery. Where possible the Purchasing Department will establish pricing agreements and identify the contract suppliers.

4.5.2 Cardholders will utilize the following "checklist" when making a purchase:

4.5.2.1 Check the Contract Suppliers list provided by Purchasing, to determine if vendors and prices have already been established for the required goods. If not, solicit a number of sources according to policy. If vendors furnish standing price quotations or catalog prices on a recurring basis, check that the price listed is current.

4.5.2.2 Assure that **sales taxes** are not added to the purchase.

4.5.2.3 Once a vendor is designated and that vendor confirms that the product or service is available which meets the specification and delivery requirements, take the following steps.

4.5.2.2.1 Confirm that the vendor agrees to accept MasterCard.

4.5.2.2.2 Direct the vendor to include the following information

on the packing list/shipping label:

4.5.2.2.2.1 Cardholder's name and telephone number;

4.5.2.2.2.2 Complete delivery address;

4.5.2.2.2.3 The words "Procurement Card Purchase";

4.5.2.2.2.4 The vendor's order number.

4.5.2.2.3 It is extremely important that all purchases be sent to the cardholder ordering the merchandise, as this will ensure that the documents necessary for record keeping are readily available to the cardholder.

4.5.2.2.4 If necessary, advise the individual within your area who receives merchandise of the vendor's name and order number, anticipated delivery date, number of boxes expected, carrier (UPS, Fed Ex, etc.). The receiver must notify the actual cardholder when delivery is made so that proper documentation is recorded.

4.6 CARDHOLDER RECORD KEEPING

4.6.1 Whenever a Procurement Card purchase is made, either over the counter or by telephone, original detailed/itemized documentation shall be retained as proof of the purchase. Such documentation will be used to verify the purchases listed on the cardholder's statement of account. An itemized listing of all items purchased shall be forwarded with the cardholder's statement to the Program Coordinator each month.

4.6.2 When the purchase is made over the counter, the cardholder shall retain the invoice and "customer" copy of the charge receipt (both). Prior to signing this slip, the cardholder is responsible for making sure that the vendor lists the quantity, and fully describes the item(s) on the charge slip.

4.6.3 When making a purchase by telephone or internet, the cardholder shall also document the transaction, confirmation number, subsequent detailed/itemized invoice, and all shipping documentation.

4.7 REVIEW OF MONTHLY STATEMENT

4.7.1 At the end of each billing cycle, the Procurement Card program coordinator (Coordinator) shall receive from the Bank the monthly statement of account that will list the cardholders transaction(s) for that period.

4.7.2 The Coordinator shall check the monthly statement and purchasing log and confirm the following items as a minimum:

4.7.2.1 Detailed/itemized receipts and shipping documents exist for each purchase.

4.7.2.2 The goods were received or the services were performed.

4.7.2.3 The cardholder has complied with applicable procedures, including this Procurement Card procedure.

4.7.2.4 The Coordinator signs statement ensuring all purchases were authorized and those purchases were made in accordance with the applicable procedures.

4.7.3 The original detailed/itemized sales documents (packing slip, invoice, cash register tape and Procurement Card slips, etc.) for all items listed on the monthly statement **MUST** be neatly attached, in statement summary sequence. Each receipt must illustrate the funding source. This data is critical to enable audit substantiation. **IF THIS PROCEDURE IS NOT ADHERED TO, the transaction will be considered an unauthorized purchase resulting in card revocation upon the third occurrence.**

4.7.4 In accordance with 4.7.3, the approved document package must be submitted to the Auditors Office **within two (2) business days** of the original receipt of the statement. Delays will result in card revocation upon the third occurrence.

4.7.5 If the cardholder does not have documentation of a transaction listed on the monthly statement, he/she shall attach a signed explanation that includes a description of the item(s) purchased, date of purchase, vendor's name and reason for lack of supporting documentation. The cardholder must also remit a full reimbursement by check or money order to the Treasurer's Office for the unauthorized purchase and include a copy of the payment and Treasurer's receipt with the statement submitted to the Auditor's Office.

4.7.6 Procurement Card Returns – If the wrong item is received, is not satisfactory, or damaged and/or defective, duplicate order, etc., the cardholder should make contact with the vendor to explain the problem and inquire about return policies.

4.7.7 If the cardholder is disputing a charge, he/she shall:

4.7.7.1 First contact the supplier in an effort to determine a resolution. If that does not correct the issue,

4.7.7.2 Complete a dispute Report (Attachment 3) and submit same to the Bank One Account Manager with a copy of the Dispute Report to the Procurement Card Coordinator and Accounts Payable. Immediate action to resolve a dispute is of extreme importance.

4.7.7.3 If an item has been returned and a credit voucher received, the cardholder shall verify to Accounts Payable that this credit is reflected on the monthly statement. **Under no circumstances are cardholders to accept a cash refund.**

4.7.8 If purchased items or credits are not listed on the monthly statement, the appropriate transaction documentation shall be **RETAINED** by the cardholder until the next monthly statement. If the purchase or credit does not appear on that statement or the next billing cycle statement, the cardholder or Approving Supervisor shall notify the Procurement Card Coordinator.

4.7.9 If items purchased by the use of the procurement Card are found to be unacceptable, the cardholder is responsible for obtaining replacement or correction of the item as soon as possible. If the vendor has not replaced or corrected the item by the date the cardholder receives his/her monthly

statement, then the purchase of that item will be considered in dispute.
(See 4.7.7)

4.8 MONTHLY ACCOUNT SUMMARIES

4.8.1 Monthly Account Summaries listing all transactions shall be issued by the Bank One Account Manager to the appropriate Coordinator and Approving Supervisor. These listings will allow the Approving Supervisors to track their cardholder's activities and act as a checklist for the Coordinator to anticipate which approved monthly statements are due from which cardholders.

More than two (2) reminders to a cardholder that an approved monthly statement is delinquent will be grounds for withdrawing the Procurement Card from that cardholder.

4.9 CARD SECURITY

4.9.1 It is the cardholder's responsibility to safeguard the Procurement Card and account number to the same degree that a cardholder safeguards his/her personal credit information.

4.9.1.1 The cardholder must not allow anyone to use his/her account number. A violation of this trust will result in that cardholder having his/her card withdrawn and disciplinary action may occur.

4.9.2 If the Procurement Card is lost or stolen the cardholder shall immediately notify Purchasing.

4.9.3 A new Procurement Card shall be promptly issued to the cardholder after the reported loss or theft. A Procurement Card that is subsequently found by the cardholder after being reported lost shall be sent to Purchasing and destroyed.

4.9.4 Failure to notify Purchasing of a lost or stolen Procurement Card within a reasonable amount of time shall result in card revocation, disciplinary action, up to and including termination. Reasonableness of lapse of time from loss of card to reporting to Purchasing shall solely be determined by the County Procurement Card Coordinator.

4.10 CARDHOLDER SEPARATION

4.10.1 Prior to separation from the County or transfer to another department, the cardholder shall surrender the Procurement Card and current Procurement Card purchasing log to his/her Approving Supervisor. Upon its receipt, the Approving Supervisor will review, approve and deliver to the County Procurement Card Coordinator the month-end Procurement Card statement and the Procurement Card. Please be aware that the responsibility of the void card remains with the cardholder/ Department Head until it has been received by the Procurement Card Coordinator.
