### 2012 National Conference on Health Communication, Marketing, and Media

---

The National Public Health Information Coalition, Substance Abuse and Mental Health Services Administration and Centers for Disease Control and Prevention are pleased to announce the sixth annual National Conference on Health Communication, Marketing, and Media to be held **August 7 -9, 2012** in Atlanta, GA.

This conference brings together individuals representing academia, public health researchers and practitioners from federal and state government and the private sector, and provides a forum for collegial dialogue within and across these disciplines. The conference is an excellent opportunity to meet with colleagues and shape the future of health communication, marketing, and media practice.

More information regarding the conference will be sent as it becomes available. [Sign up to receive email updates](#)  .
