I am pleased to invite you to the second annual Executive Forum, September 30th - October 2nd, in Santa Fe, New Mexico. This meeting will bring together like-minded leaders and innovators in the justice community who are Odyssey clients.

Last year's meeting (held in conjunction with CTC) was a huge success, so we decided to make the Executive Forum an annual event. Our friends and partners in the New Mexico Courts are co-hosting, and will give us a peek into some of the interesting things they have been doing lately in their statewide rollout of Odyssey, including mandatory e-filing.

As it was last year, this event is by invitation only to senior court, IT and elected officials from larger jurisdictions. The agenda will focus on long-term trends and the challenges you face on a daily basis. It will provide you an opportunity to spend valuable time with senior court officials and with Tyler senior management to establish relationships, share ideas and discuss new ways of conducting business and leveraging technology to meet today's challenges. Sessions will focus on real-world experiences of your peers, and allow you to share innovative ways to deal with business problems that are common to other Odyssey clients.

I hope you can join us for what I believe will be a fantastic and inspiring event. There is no registration fee for this by-invitation-only event. Please register online.

See you in Santa Fe!

Sincerely,
Bruce Graham
