Dear Mr. Scott:

The renewal of your plan is January 1, 2013. We would like to thank you for allowing Humana/CompBenefits the opportunity to provide the dental benefits portion of your benefits package. Our goal is to ensure that you experience the highest quality service and benefits.

It is our pleasure to provide you with the renewal of the plan effective January 1, 2013. We offer an open enrollment period each year for the annual renewal of the plan. This period provides an opportunity for employees and their dependents, which are not currently enrolled, to enroll in the plan. It will also provide those enrolled an opportunity to make changes in their current elections.

The open enrollment period is 30 days beginning 45 days prior to the renewal date and ending 15 days before the renewal date. This period is set aside for the open enrollment as it is necessary to have enrollment material in our home office 15 days prior to the renewal date to ensure coverage is in place on the renewal date.

We will be happy to assist you in preparation of enrollment materials for the open enrollment and assist in any way we can help with the enrollment. You can contact me at 713-513-4921 or call Customer Care at 800-342-5209. Supplies may also be ordered from our web site at [www.compbenefits.com](http://www.compbenefits.com).

The attachment has the current and renewal rates for your plan. Please feel free to contact me or should you have any questions.

Sincerely,
