**RE: Traffic/Safety Study for Katy ISD No. 17 – Roosevelt Alexander Elementary
(So. Fry Road at Peek Rd.)**

Dear Commissioner:

Fort Bend County Engineering has completed and recommends approval of the traffic control plan for Roosevelt Alexander Elementary School to prohibit turning at the median cut between the driveway on the west side of the school at Center Village Drive. This is to eliminate drivers from cutting into the established pickup/drop off line to the school. If there are no objections to the plan, a date to schedule the hearing will be on the next available Commissioner's Court agenda.

A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

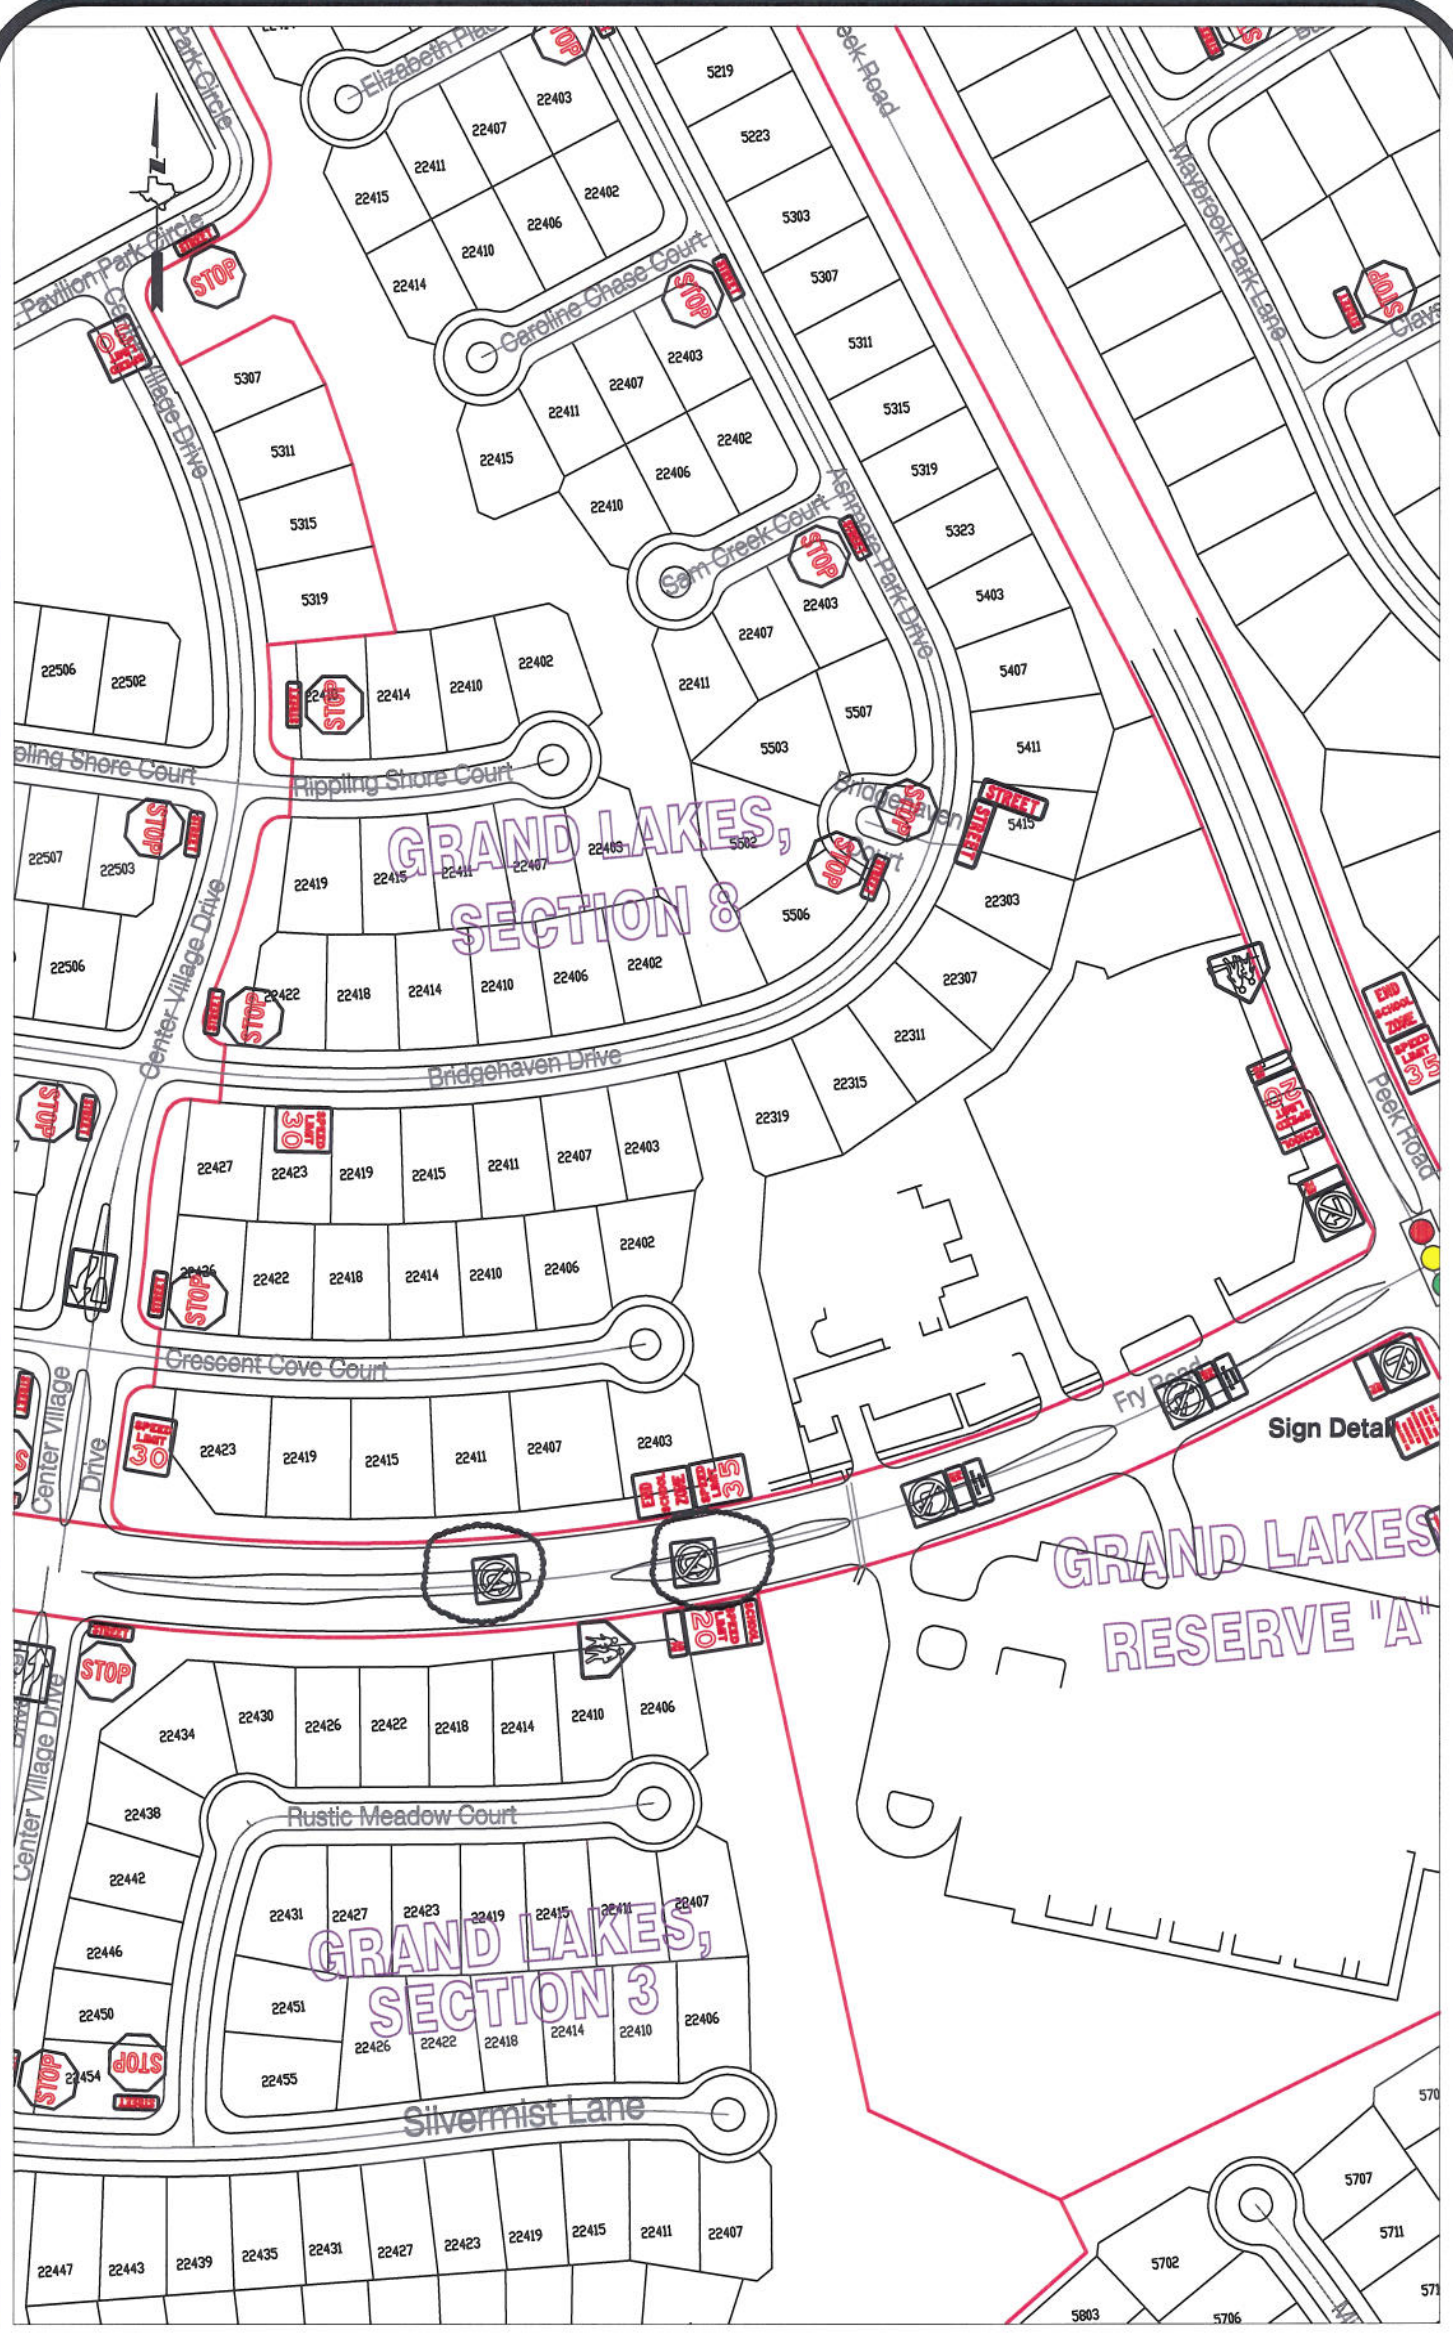

Sincerely,

Nathan D. Hatcher
Assistant to County Engineer
