RE: Cinco Ranch South Lake Village, Section 4 – Revised Traffic Control Plan

Commissioner Meyers:

As per your request, a traffic study was conducted on Cinco Lakes Drive to determine if "No Parking" signs are needed. Currently, drivers are parking their vehicles near the intersection of Cinco Lakes Drive and Cinco Ranch Boulevard and then getting out and using the walking paths next to the amenity lake. The parked cars are creating a sight distance problem for drivers attempting to exit Cinco Lakes Drive from the south. Fort Bend County Engineering recommends the installation of "No Parking" signs as shown in the attached traffic control plan. The public hearing date for acceptance of the plan is being scheduled.

A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

Sincerely,
