RE: Traffic/Safety Study for Katy ISD No. 22 - Kilpatrick Elementary at Cinco Ranch Blvd. and Gaston Road

Dear Commissioner Meyers:

Fort Bend County Engineering has completed and recommends approval of the traffic control plan for Kilpatrick Elementary School to extend the "no parking" areas around the school because of interference with the school bus traffic in and out of the school site. In addition to extending no parking zones, "no right turn on red during school hours" signs have been installed at the intersection of Cinco Ranch Blvd. and Gaston Road to protect pedestrian traffic going to and from the school. If there are no objections to the plan, a public hearing will be scheduled on the next available Commissioner's Court agenda.

A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nathan D. Hatcher".
