**RE: Traffic/Safety Study for Katy ISD No. 23 - Rylander Elementary at Westheimer Parkway and Falcon Landing Blvd.**

Dear Commissioner Meyers:

Fort Bend County Engineering has completed and recommends approval of the traffic control plan for Rylander Elementary School. Issues addressed at this site include:

1. Extend "no parking" areas around school to increase flow of bus traffic
2. "No right turn on red during school hours" signs installed at Westheimer Parkway & Falcon Landing Blvd. since this is the primary crossing for students
3. Clover Ranch Drive northwest of Falcon Landing Blvd. will not become a one way street because of restrictions to the home owners
4. Fort Bend Engineering is working with developer on northwest side of Falcon Landing Blvd. to install sidewalk from development to intersection of Falcon Landing Blvd. & Westheimer Parkway
5. Walk time on pedestrians signals will be increased to accommodate student crossing
6. Current crosswalk at the intersection of Falcon Hill will be removed by Katy ISD-students now cross at signal at Falcon Landing Blvd. & Westheimer Parkway
7. "No left turn" installed at 1<sup>st</sup> drive to school southwest of Westheimer Parkway & Falcon Landing Blvd. to improve drop off/pick up line

If there are no objections to the plan, a public hearing will be scheduled on the next available Commissioner's Court agenda. A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

Sincerely,

A handwritten signature in dark ink, appearing to read "Nathan D. Hatcher".
