Subject: RE: Medical Bid

Aaron,

The bid specified Microflex for the section your company was awarded (Section 6). I understand from the below you bid a substitute, even though you did not state it on your bid response. The glove you propose does not meet the specifications of the Microflex, therefore it is not a substitute. Please provide me a letter today stating you wish to withdraw your bid for Section 6 or respond by email that you will provide the gloves specified.
