Dear Sirs,

This letter of variance to Pipe set of Ft. Bend County, I Bishop Lorenzo Coleman & the members of Miracle House of Prayer-Arcola are requesting the waving of Pipe Set Permit Fee. I obtained 2 permits on July 30, 2010, I did not realize we had 9 months to install pipes for 2 driveways until till October, 15, 2012. The Arcola feed store installed a gate on the property we were using for entrance and parking. Unfortunately I did not read the fine print in permit concerning the deadline. The permit numbers are 4154 and 4155. We would appreciate your working with the church so a second purchase is not needed.

Humbly Submitted
