Dear Judge Hebert:

I would like to request an historical exemption for the year 2013 for my property located at 402 North Second Street across from Morton Cemetery.

As mentioned in past requests, it has a Texas Historical Marker and I do not get a homestead tax exemption.

Due to age of fencing and feral hogs, extensive repairs to fencing was required this year. Additional repairs will be required now that new drainage work is complete at creek on North Second Street.

I am preparing the proper paperwork through the Appraisal District and will furnish a copy to you. Was so happy when the Appraisal district sent a form to me this year. If you asked them to do this, thank you.

Looking into flood insurance for 402 N. Second Street. From looks of new drainage, it's going to gush into my side of N. Second St. instead of flow.

Richmond is so pretty this Spring!
My contact number is: 832 439 7626.

Cordially,

Betsy Vaughan

Cc: Fort Bend Appraisal District
