To The Honorable Judge Hebert and Honorable Members of Commissioner's Court

CC: Pamela Gubbles and Marc Grant

Gentlemen, as you are aware in the 2013 budget process, we asked for and had the support of the Court to hire a death investigator to assist the 5 Justices of the Peace. However, the status of the budget did not allow that position to be funded. We understood the budgetary constraints.

Therefore, we ask Commissioner's Court to allow each Justice of the Peace, if they so desire, to be authorized a County Vehicle. This would allow each Justice of the Peace to use this car in lieu of charging mileage.

At this time we ask for the Courts support in allowing each justice of the peace, if they so desire, to have a "take home" County Vehicle. This would allow the Justice of the Peace's to use this car in lieu of charging mileage.
