

Texas 2013 ESG Application

Attachment H: Local Government Approval for Nonprofit Organizations Conducting ESG Shelter Activities

Who should complete this attachment?

- ☒ Single Applicants that are private nonprofit organizations
- ☒ Lead AND Partners Agencies for Collaborative Applicants that are private nonprofit organizations.

This attachment does not apply to Applicants that are Cities or Counties.

General Instructions

- The State of Texas will distribute ESG funds to private nonprofit organizations conducting emergency shelter activities only if the unit of general local government (any city or county) in which the proposed emergency shelter activities are to be located certifies that it approves the project.
- Private non-profit organizations that plan to conduct ESG emergency shelter activities must obtain a certification of approval from the city or county in which the ESG emergency shelter activities are to be carried out by completing the certification part of this page. If serving multiple counties, only the cities or counties where the shelters are located must approve the proposed project. Applicants that are not providing emergency shelter activities do not need to complete this form.
- The form must be signed by the county judge or mayor, or their official designee (such as city manager, assistant city manager, community development director or human services director) for the locality in which the project is located. Each local government determines who has the authority to sign this document.

Certification (to be completed by the City or County):

I, Robert E. Hebert, County Judge (*name and title*), duly authorized to act on behalf of the County of Fort Bend (*name of jurisdiction*), hereby approve the following emergency shelter activities proposed by the Fort Bend County Women's Center, Inc.
