Ms. Kaminski,

Thank you for your email and the renewal bid. ECI would be interested in renewing. In our bid contract, the following wording covers any increases:

*Pricing Adjustment for option years stated in RFP. ECI's proposed prices are based on 98% of the USDA Published Reimbursement Rates for Vended, Urban Sites, Administrative & Operating Combined: 1.9425 for Breakfast and 3.4125 for lunch. Pricing for the Option Years stated in RFP will include the same pricing calculation: 98% of the then current published rates for Vended, Urban Sites, Administrative and Operating Combined.*

This results in a slight increase. We are using the following site as our source of the current rates:  
<http://www.summerfood.org/CONTRACTINGENTITY/Administrative/USDAREimbursementRates.aspx>

**Reimbursement Rates - Vended, Urban Sites**  
**(Administrative & Operating Combined)**

Breakfast	Lunch/Supper	Snacks
\$1.9425	\$3.4125	\$0.8000

The end result is an approximate 4 cent increase for Breakfast, and a 8 cent increase for lunch over last years pricing. While the cost of food and gas are going to be well in addition to this increase, we are committed to the service to Fort Bend and thank you for the opportunity. **The price for this summers service is \$ 1.90 and \$ 3.34 for breakfast and lunch respectively..**

Thanks,

A handwritten signature in black ink that reads 'Frank J Ricupati'.
