**RE: Traffic Study/Revised Traffic Control Plan for Lakemont, Section 14,  
at Diamond Cove Lane at Lakemont Bend Drive to add "No Parking" signs**

Dear Commissioner Meyers:

The Fort Bend County Engineering Department has conducted a traffic study at the referenced intersection within the Lakemont, Sec. 14 Subdivision. The primary purpose of the study was to determine if "No Parking" signs should be installed on Diamond Cove Lane. Diamond Cove Lane is located approximately 1,000 feet west of Katy ISD McNeil Elementary School. The problem is parents queue along Lakemont Bend Lane and subsequently on Diamond Cove Lane wait for school dismissal. Some parents are parking on the west side of Diamond Cove Lane creating a mobility problem in and out of Lakemont, Section 14. A site observation was made to determine the solution. FBCED recommends "No Parking" signs be installed on the west side of Diamond Cove Lane from Lakemont Bend Lane to Golden Sky Lane. The no parking signs will be for anytime of the day.

Should you have any questions please do not hesitate to call.

Sincerely,
