Katy, Texas 77494

**RE: Traffic/Safety Study for Katy ISD No. 12 - WoodCreek Junior High School
at Katy Flewellen**

Dear Commissioner Meyers:

Fort Bend County Engineering has conducted and recommends approval of the traffic control plan for WoodCreek Junior High School, in the unincorporated areas surrounding the school.

The request was for reducing the school zone speed limit from 30 mph to 20 mph along Katy Flewellen and Grayson Lakes to be consistent with the school zone speed limit along Woodcreek Bend within the city limits of the City of Katy.

If there are no objections to the plan, a public hearing will be scheduled on the next available Commissioner's Court agenda. A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

Sincerely,

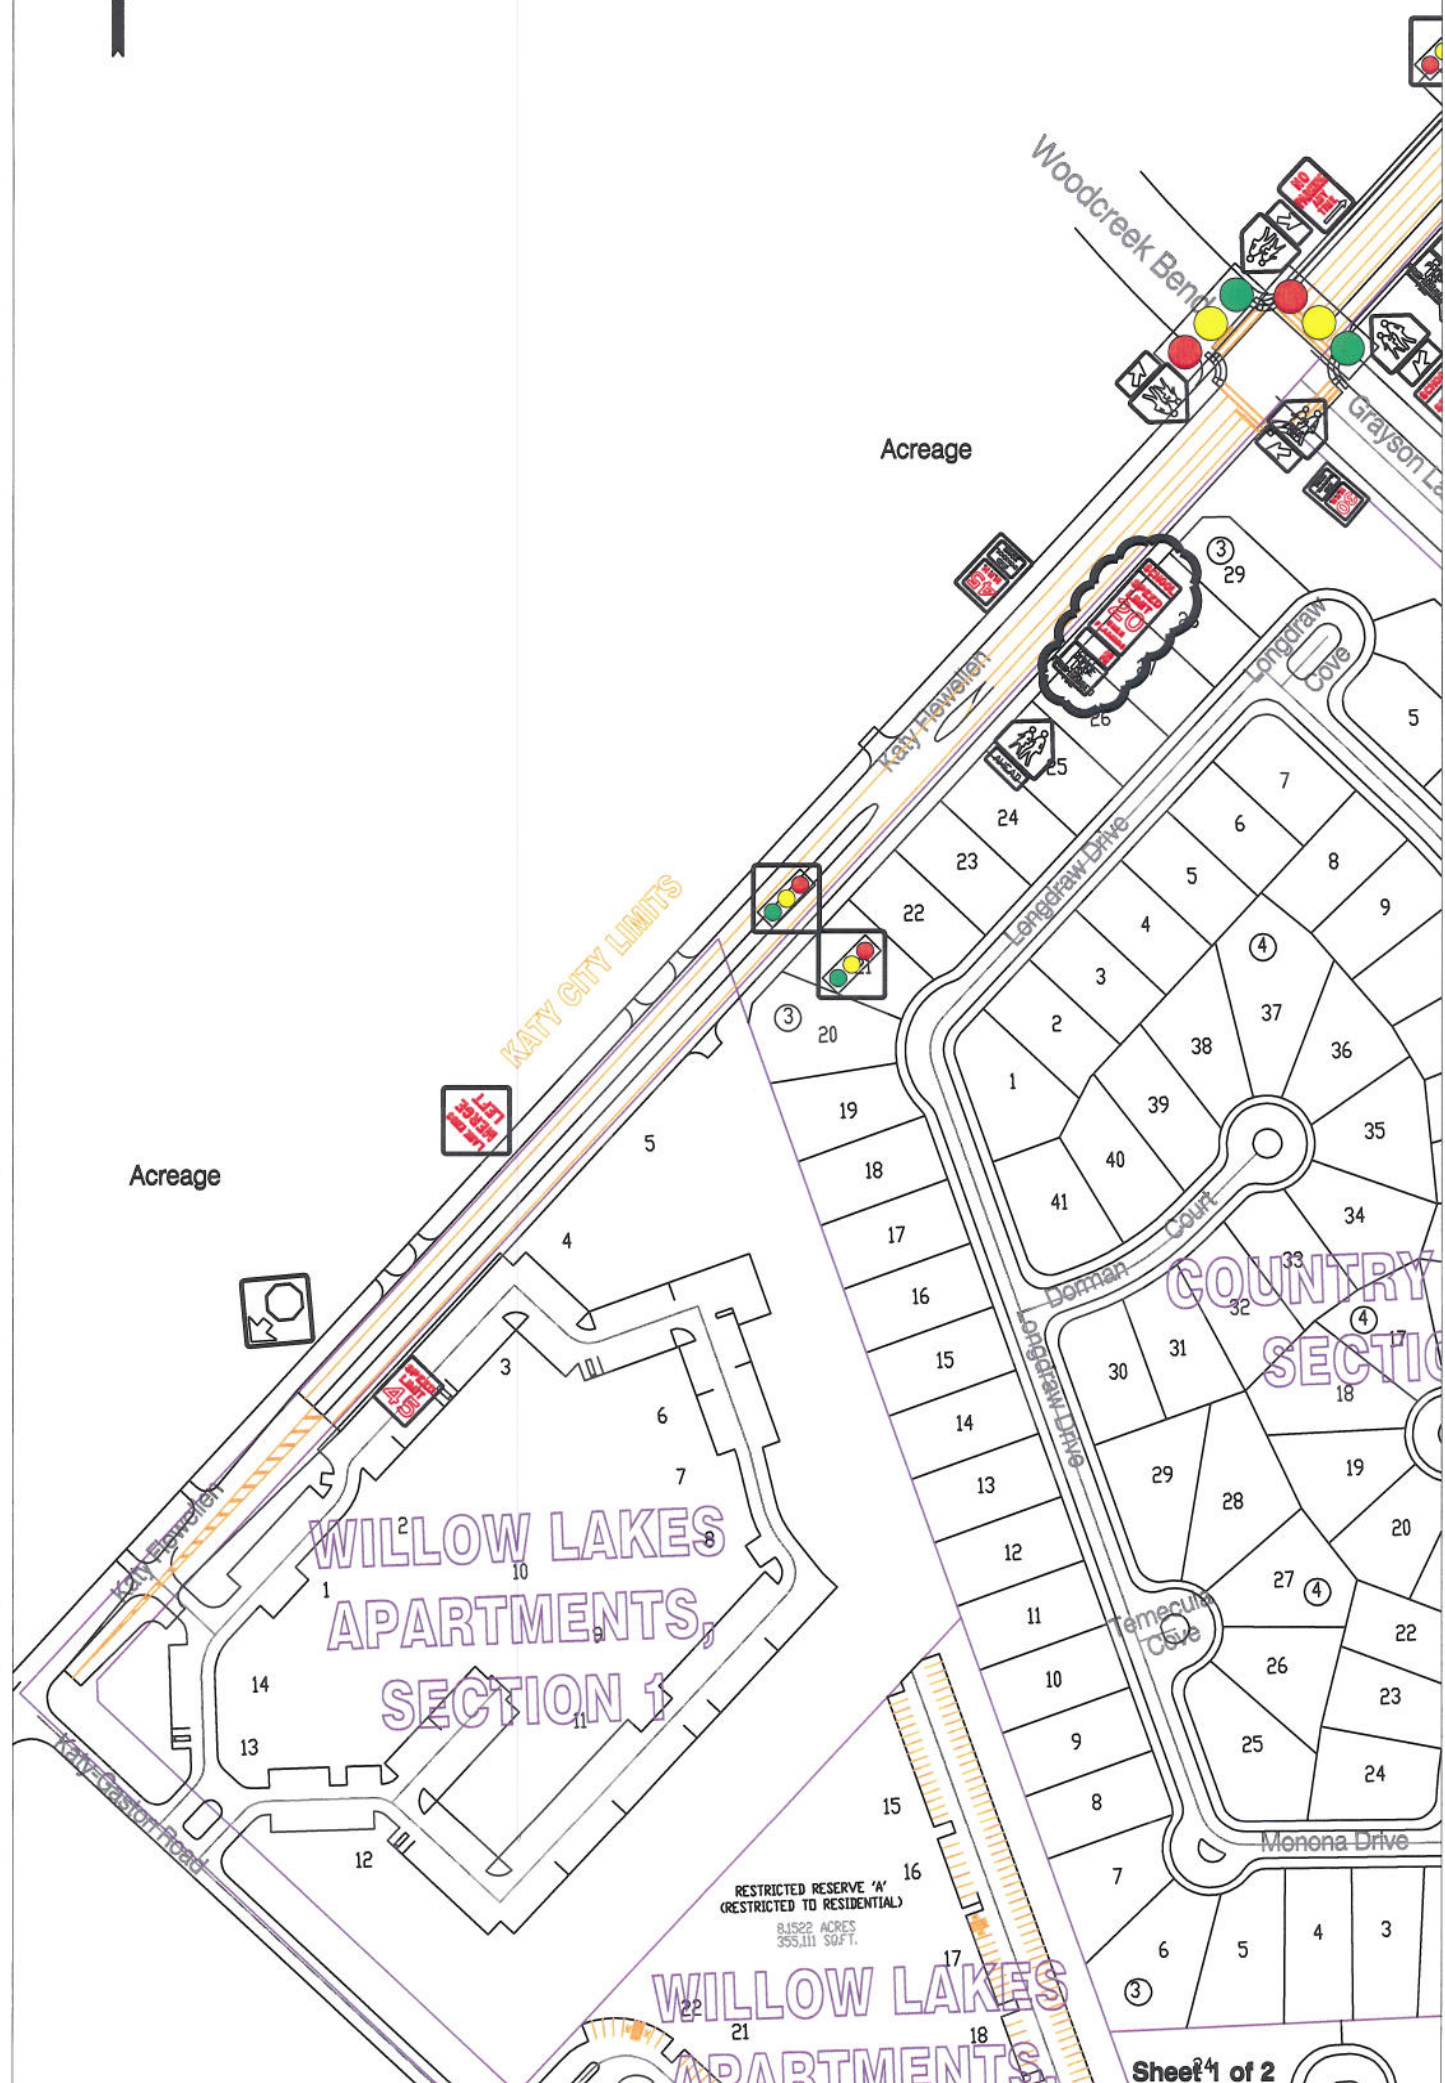

A handwritten signature in black ink, appearing to read "Nathan D. Hatcher", is written over the word "Sincerely,".
