Masters Conference for Advanced Death Investigation

Target Audience

This conference is designed for the instruction of experienced medicolegal death investigators, forensic pathologists, law enforcement officers, forensic scientists, physicians, attorneys, and investigative personnel who have previous been trained in a basic death investigation program.

When

July 22, 2013 - July 25, 2013
8:15 AM - 5:00 PM

Where

Saint Louis University School of Medicine
Learning Resource Center
3544 Caroline
St. Louis, Missouri 63104
USA

Planner

Kathleen Hargrove

Conference Registration Fee Includes

Basic registration fee includes admission to conference sessions (four days), course materials, a Welcoming Reception and Course Dinner.
Complimentary bus transportation will be provided daily between the conference site and the Hyatt Regency St. Louis at the Arch.

College Credit Available

The course qualifies for 2 hours of undergraduate or graduate credit at a reduced tuition rate through Saint Louis University.

Individuals desiring college credit must register and pay the Conference Fee through this website and also register separately with the university and pay additional tuition fees. Interested individuals may register for college credit during the first day of the course and payment for the University credit hours will be invoiced separately by the University Registrar.

Contact Barb Weekley at bweekley@slu.edu for additional information.
