Mark,

Thank you so much for your submittal to the Firehouse Subs Public Safety Foundation for **BullEx Fire Extinguisher Training System**. We are pleased to announce that the Foundation would like to grant

the **Fort Bend County Fire Marshal's Office**
the requested equipment valued at up to **\$10,965.00**.

The process for procurement is very simple:

- We will purchase the equipment directly from your preferred vendor based on your submitted quote
- The vendor will ship the equipment directly to your organization
- VERY IMPORTANT: Upon delivery, you will need to send a signed & dated copy of the packing slip to our Foundation via e-mail (Foundation@firehousesubs.com) or fax (904) 886-2111 (Please note: our accounting department requires this documentation prior to paying invoices)
- If you plan to outfit your donated items, please include our Firehouse Subs Public Safety Foundation logo. The artwork will also need to be approved by our Foundation team
- Once the equipment is in use, we will be in touch to plan a media presentation/press event at a local Firehouse Subs restaurant to demonstrate the equipment and acknowledge the donation

If your award is not for equipment, or your application included more than 2 separate quotes, the Foundation team will be in touch with you directly to coordinate your fund allocation.

We are very excited about being able to assist to your organization and ultimately improve the

life-saving capabilities of your community. We'll be in touch as we go through this process.

Warmest Regards,

Robin Peters, Meghan Vargas & Jacquelyn Gubbins
