Re: Lease# 8389397 001

Dear Valued Customer:

Thank you for inquiring about your option to settle your obligation your leased equipment. Please note that the lease is a non-cancelable agreement. However, your satisfaction is important to us and, accordingly, we make the following offer to settle your lease obligation.

The current settlement amount is \$5293.68 and will remain valid until 06/09/2013. This settlement offer assumes that all of the lease obligations will have been met at that time. Upon receipt of this settlement amount, your lease obligations will be satisfied. The leased equipment will then be removed from your premises and remain the property of Pitney Bowes.

If you wish to exercise this settlement option, please send your check made payable to Pitney Bowes to the following address:

If you do not wish to exercise this settlement option, please continue to pay your periodic payment, as invoiced. Thank you for using Pitney Bowes.

Sincerely,

Lisa Weed
