To: Accounts Payable,

Re: Completion of testing of your samples and payment

This letter is to inform you that the testing of your TCEQ Drinking Water sample(s) for asbestos has been completed. Contained in this packet is a full copy of your report as well as a copy of the invoice for due payment. Payment will need to be sent to:

Crisp Analytical Labs, LLC
1929 Old Denton Road
Carrollton, TX 75006

Payment should be in check form, however credit card is acceptable upon request. Cash will not be accepted. **Important: When making payment, please reference the invoice number found at the top center of the invoice (ie. CAL13XXXXXX).** This will assure that payment is made to the right account. If you have any other questions or concerns related to your sample(s), please call us at (972)-242-2754.

Thank you,

Crisp Analytical Labs, LLC

**Transmission Electron Microscopy Report
Drinking Water Asbestos Analysis
Laboratory Analysis Report
EPA 100.2 Modified Protocol**

Bates M Allen Blue Hole Park

PO Box 509

Fresno, TX 77545-0509

Reference number: CAL13043118CB

The samples, provided for analysis of asbestos in drinking water, were analyzed following Environmental Protection Agency method 100.1 and 100.2 for asbestos structures greater than ten microns in length.

The report lists the sample identification number, filter area, sample volume, area analyzed, structure counts, analytical sensitivity, and the asbestos concentration of structures greater than ten microns in length. The current EPA guideline for compliance is 7.0 million structures per liter (7.0 S/Lx10⁶) for asbestos structures greater than ten micron in length.

CA Labs is accredited by the National Voluntary Laboratory Accreditation Program (NVLAP) for selected test methods for airborne fiber analysis (TEM) and by the Texas Commission on Environmental Quality (TCEQ) for analysis of asbestos in drinking water. CA Labs is accredited by the American Industrial Hygiene Association (AIHA LAP, LLC) PLM, TEM and PCM Asbestos fields of testing for industrial hygiene. This analysis is not covered by the scope of accreditation by NVLAP. This method is not covered by the scope of AIHA accreditation for industrial hygiene. The test results relate only to the items described and tested herein. Neither NVLAP, AIHA, nor TCEQ accreditation implies endorsement by any US Government agency.

These results are submitted pursuant to CA Labs' current terms and condition of sale, including the company's standard warranty and limitation of liability provisions and no responsibility or liability is assumed for the manner in which the results are used or interpreted. Unless notified in writing to return the samples covered by this report, CA Labs will store the samples for a period of ninety days before discarding. A shipping and handling fee may be assessed for the return of any samples.

Analysis performed at Crisp Analytical Labs, L.L.C. 1929 Old Denton Road Carrollton, TX 75006. We can be reached after hours by cellular at (214) 564-8366.
