Subject: EPA Grant Amendment Attached XP-96639701-2

Mr. Dybala:

EPA, Region 6 is transitioning to a new electronic process for signed awards/amendments. These documents are being sent via email to Project Managers. Attached is an approved amendment for assistance agreement XP-96639701-2. Please forward a copy to all appropriate staff within your organization. If you have questions or need additional information, please call Jerri Englerth at (214) 665-7402 or your Project Officer.

Please note that a signature is not required on this agreement. The recipient demonstrates its commitment to carry out this award by either: 1) drawing down funds within 21 days after the EPA award or amendment mailing date; or 2) not filing a notice of disagreement with the award terms and conditions within 21 days after the EPA award or amendment mailing date. If the recipient disagrees with the terms and conditions specified in this award, the authorized representative of the recipient must furnish a notice of disagreement to the EPA Award Official within 21 days after the EPA award or amendment mailing date. In case of disagreement, and until the disagreement is resolved, do not draw down on the funds provided by this award/amendment, any costs incurred by the recipient are at its own risk.
