**TO:** LOU ANN MULLINGS  
**FROM:** LT. GLENN NORRELL  
**SUBJECT:** YAHOO INVOICE - CASE #12-15569  
**DATE:** JULY 15, 2013  
**CC:** CAPT. JAMES BURGER

---

I met with Det. Chesser in regards to this invoice and he advised me this pertained to a Harassment case with multiple (17) different email addresses from Yahoo. A subpoena was sent to Yahoo as well as other mobile carriers in order to identify the suspect in this case. Det. Chesser did not anticipate a bill being sent by Yahoo. I advised Det. Chesser that in the future, when a request such as this is being made, to be sure the Finance department is made aware to insure proper billing/payment protocol is followed.
