Re: Del-Webb Richmond ~~Sweetgrass~~ Section 17 - Replat No. 1
City of Richmond E.T.J. - Fort Bend County MUD No. 187
CI Job No. 2013-064-02

Dear Mr. Morrison:

We are requesting a public hearing for the re-plat of Del-Webb Richmond Section 17 to be held on October 8, 2013. We understand that we missed the Fort Bend County Engineering agenda item deadline this past Tuesday to start the four week notice process. Could you please make an exception and place an item on the agenda for September 10, 2013 to start the public notice for the re-plat? The reason for the re-plat is to relocate a utility easement. Thank you for your consideration on this matter.

Sincerely,
Costello, Inc.
