Fort Bend County, Texas

Richard W. Stolleis, P.E.
County Engineer

September 17, 2013

Commissioner W. A. "Andy" Meyers
Fort Bend County Precinct 3
22333 Grand Corner Drive
Katy, Texas 77494

**RE: Katy ISD School Site (Firethorne) - Traffic/Safety Study
North Firethorne at South Firethorne installation of "No U-turn" signs**

Dear Commissioner Meyers:

Katy ISD, Angela Kovar, Assistant Principal for Wolman Elementary, requested "No U-turn" signs to be placed at the referenced intersection.

Existing Conditions:

North Firethorne Road intersects South Firethorne Road to create a T-intersection. The intersection is within the school zone for Wolman Elementary School located at the northeast corner of the intersection. The roadways are boulevard sections in all directions.

Recommendation:

The Fort Bend County Engineering Department recommends installing "No U-turn" signs in all directions at the intersection. The intersection is used heavily for pedestrian traffic during school zone hours. The sign will prohibit unnecessary movement through an already busy intersection.

The Engineering Department recommends approval of the traffic control plan as submitted. A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

Sincerely,

A handwritten signature in dark ink, appearing to read "Nathan D. Hatcher", is written over a horizontal line.

Nathan D. Hatcher
