Greetings:

On 5 September 2013, an arrest was made on the Westpark Tollroad involving a stolen trailer and license plate. The driver was arrested and the trailer and license plate was taken into custody as evidence and further investigation.

A & M Automotive wrecker service located at 1817 Brooks in Rosenberg charges a fee of \$75 for a tow and impoundment for vehicles that are considered evidence. Since our agency made the arrest, we are responsible for the fee. However, a purchase order was not issued for this occurrence and we have no mechanism to pay it without your Court's approval.

I am respectfully requesting your authorization to pay the \$75 fee out of the Westpark Tollroad contract budget line-item CDC3-13WPTOLL / account number 100550999-63000 (Fees). I have spoken with Shelley Mays with the auditor's office and she is aware of the situation and my requesting this action.

Should you have any questions, please feel free to contact me. Thank you for your assistance and consideration.

Sincerely,
