RE: Parent Project/School Initiative

Dear Ms. Gready;

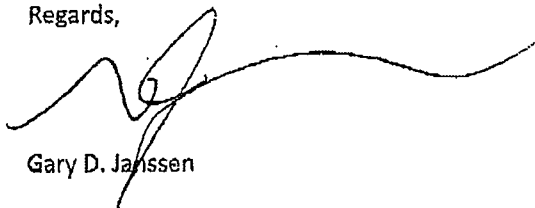

Thank you for the opportunity to work with our citizens to enhance school attendance by the community youth.

I look forward to working with you, and will schedule dockets for the Parent Contributing to Non-Attendance cases that are filed in this court by any school district.

I will try to accommodate all requirements necessary to comply with the grant requirements.

Please call me with any questions or comments.

Regards,

Gary D. Janssen
