**Fort Bend County Mobility Program
General Engineering Consultant Services
Fort Bend County, Texas
PO# 13703**

September 16, 2013 through October 15, 2013

The work to be performed under this scope of work consists of general engineering consulting services including consultant oversight, agency coordination, design review, and miscellaneous design services. The work performed this period includes:

- Updated the detailed project estimate worksheets for the 2013 Mobility Bonds to reflect the latest changes in the overall master list. Submitted the detailed estimates for the final projects and for the projects that were not carried forward in the final list.
- Coordinated with BKL on the Trammel Fresno project. Received comments from FHWA and TxDOT on the Categorical Exclusion Documents. Discussed responses with BKL and coordinated this effort with the TxDOT Houston District.
- Met with Berg Oliver to discuss wetlands mitigation plan for the Trammel Fresno Road project. Moved forward with agreement to purchase mitigation credits from a local mitigation bank.

David C. Balmos, P.E.

Project Manager
